

Block

An illustration of a diverse group of women sitting in a circle on a light yellow background. The women are of various ethnicities and are engaged in different activities: some are talking, one is meditating, one is holding a baby, one is in a wheelchair, and others are holding objects like a flower or a book. Pink ribbons connect the women in a circular pattern. In the center, the word "Build" is written in white on a teal, cloud-like shape. The top and bottom of the image feature stylized golden-brown grass.

Build
